

**Subject:** Request for Salary Raise

Dear Mr. Vaghela,

I hope this email finds you well.

I have thoroughly enjoyed working at Tops Technologies and am proud of the contributions I have made, particularly in the **successful migration** of our **legacy codebase** to a modern **MERN stack**, which improved application performance and scalability. Given my accomplishments and the value I bring to the team, I would like to discuss the possibility of a salary Raise to better reflect my efforts and performance.

I appreciate your consideration of this request and look forward to discussing it further.

Thank you for your time.

Best regards,

Mahima Dabhi
